

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF DELTA)	CASE NO.: 9331-C
NATURAL GAS COMPANY, INC.)	

O R D E R

In the Commission's Order of July 28, 1986, in Case No. 9331-C, Delta Natural Gas Company ("Delta") was ordered to show cause as to why the Commission should not lower Delta's allowed rate to its supplier, Wiser Oil Company ("Wiser").

Since the issuance of the Order of July 28, 1986, the Commission has received written testimony from Delta and Wiser, as well as Daylight Engineering, Inc., a company involved in consulting with and purchasing from Wiser. The Commission has reviewed the information contained in these testimonies and finds that all of the concerns regarding Delta's purchases from Wiser have been answered. Because the filed testimony adequately addresses the issues raised in the Order, the Commission finds a hearing on this matter unnecessary.

THEREFORE, the hearing scheduled for Tuesday, September 16, 1986, is hereby cancelled. An Order in this case will be issued expeditiously.

Done at Frankfort, Kentucky, this 16th day of September, 1986.
